The SHO,

Police Station Dwarka Sector-9,

New Delhi -110077.

Subject: Application regarding false allegations and threats.

Respected Ma'am/ Sir,

I, Amit Kumar, S/o Ashok Kumar, residing at C-120, Palam Kala, Sector-1, Dwarka, New Delhi - 110045, would like to bring the following facts to your kind attention:

That on 22.03.2025, I was walking near my residence with my pet dog. During this time, a boy named Ayush was riding his bicycle in the same area. As my dog noticed another dog nearby, it started barking. On hearing the barking, Ayush seemingly got frightened, lost balance, and fell off his bicycle on the road.

As soon as the incident occurred, I, along with my friend, rushed to help Ayush. He was in pain and complained of injury. Without delay, we took him to Deen Dayal Hospital and ensured that he received proper treatment. All medical expenses were borne by me from my own pocket.

However, upon returning home, Ayush's father began blaming me and my family for the incident. He alleged that the injury occurred due to my dog's barking/bitten and further claimed that Ayush had suffered a fracture in his hand. If my dog had actually bitten Ayush, there would have been visible bite marks or teeth scars on his hand, but there is no such injury or indication of a dog bite. Despite the fact that my dog did not bite

Ayush, his father has been continuously threatening me and my family, stating that he will file a police case against us and even lodge a false complaint.

Therefore, I request you to kindly look into the matter and take necessary action to ensure our safety and protection from false accusations. I am also ready to cooperate with the authorities for any further inquiry.

Yours sincerely,

Amit Kumar
